to me, LHEPPLER, Chris, Trevor

Paul & Leslie:

I am writing to request an extension on the submission of the Bingham Canyon Mine M&RP. As discussed, we are working on the documents and have gone through internal review. We anticipate being able to submit both the written M&RP and the accompanying estimate by March 3rd. Please let me know if you have any questions or concerns. Thanks

Thiess--

The Division approves the extension as requested. I understand that your internal review revealed some problems that need to be corrected before you submit the plan
